Ace of Hearts is the story of Detective Shevaughn Robinson who is attempting to solve her first major murder case. There is a serial killer on the loose who has an obsession with women. What Shevaughn isn't aware of is the killer has become obsessed with her and is doing his best to lure her into his trap. Holloway has written a very intense thriller that keeps you on the edge of your chair. It starts off with speed and maintains it throughout the book. It is well worth reading.

In Black Jack,
Detective
Shevaughn
Robinson moves
closer to solving the
murder of a lonely
widow,
unknowingly
rekindling old
grudges and
awakening a sinister
spirit.

Deuces Wild is the best novel yet by author Jean Holloway. It is a suspenseful novel, filled with macabre sex, lust and murder. Ms. Holloway stepped it up with some mind-blowing, twisted scenes that had my mouth literally hanging open because I was so shocked. Deuces Wild is a fast-paced read that had me quickly turning the pages. I highly recommend this novel to all readers!
